COMPOSED EXPERIENCES ELEMENTS

Recommended for those seeking relief from muscle tension, this experience taps into the vastness of passion to ignite the power from within and boost energy levels.

This element brings stimulation and invigoration, representing heat, light, and ultimately, transformation. The experience lounge replicates the element of fire through unique sounds combined with pleasurable vibrations in varying intensities, moving under the body in pendulum-like movements, to restore balance and facilitate transformation.

~~'Fire' is a powerful journey that leaves you feeling enlivened and energized and has the ability to transport you to another time and place through sound and vibration.~~

The Fire journey provides a powerful and revitalizing experience that transports the user to another time and place through sound and vibration.

Recommended for those in search of profound relaxation and emotional healing.

This experience allows you to feel the gentle caress of waves, the soothing trickle of raindrops down your back, and the therapeutic properties of the ocean. The element of water has a cleansing and purifying effect always finds its way back to its source.

'Water' provides a sensation of bubbles rising and enveloping your limbs, arms, and torso at varying intensities to simulate a feeling of immersion, from the safe-haven of the lounge.

As one basks in this feeling, they can hear the sound of waves lapping against their skin, while the resonating tones of a peaceful gong, help center the mind on the present moment.

With the combination of these multi-layered sensory experiences, individuals can achieve a state of tranquility and serenity.

Recommended to enhance balance and physical vitality.

This element facilitates grounding and alleviates mental stress while promoting a heightened sense of embodiment. Percussive rhythms combined with rumbling sensations that cascade down the body like tumbling stones, stimulate multiple parts of the body simultaneously- each with its own unique effect. This immersive experience emulates the very vibrations that underpin the universe, evoking a deep sense of expansion and creation.

The deeply satisfying and enlightening 'Earth' experience offers a holistic journey that engages the entire body.

Ideal for those in search of mental clarity and physical rejuvenation, this experience offers a unique opportunity to embrace the lightness of being at one with the element of air. By experiencing oneself as a blade of grass or a leaf swaying in the breeze, a sense of weightlessness and ease can be attained that is difficult to find in everyday life.

The mental benefits of the 'Air' experience are diverse- inspiring imagination and enhancing creativity. The physical effects are equally profound, as the entire body is stimulated with a particular focus on the acupuncture pressure points in the lower back and limbs.

'Air' is a journey through landscapes of mountains, valleys, deserts and oceans, all from the comfort of the experience lounge, to refresh the mind and restore the body.

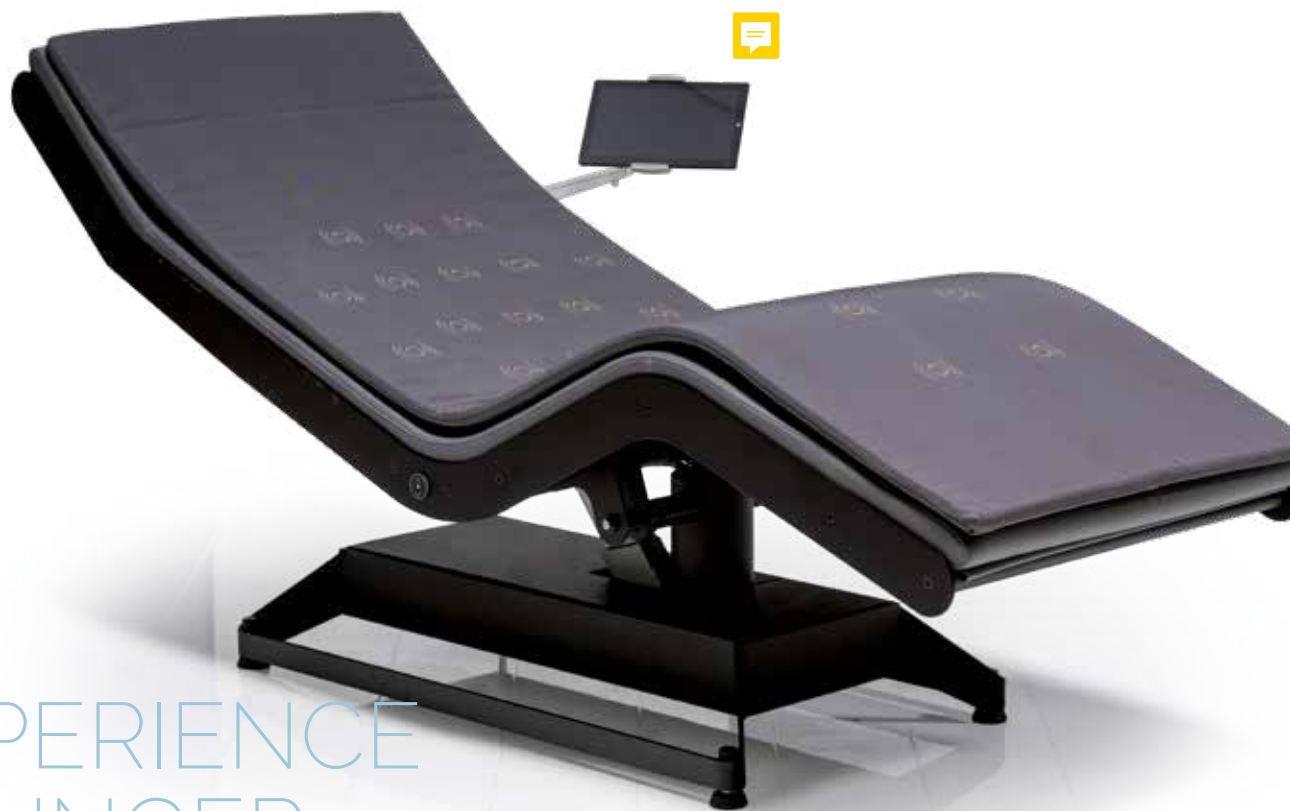

UNLIMITED AND PERSONALIZED EXPERIENCES

„OMG, I'm back on Earth! It was a magical experience for me...”

LOUNGER

THE TECHNOLOGY

The unique patented technology includes powerful transducers that are integrated into the lounger and controlled by the AURASENS module. The position of each transducer in the upholstery is marked with embroidery, to ensure the perfect position for the optimal transmission of sound and vibration.

Wearing noise-canceling headphones, you're completely immersed in the sensations of the Gharieni AURASENS module while lying on the RLX Experience lounger. All programs are controlled with an iPad.
